

## come and join our farm!

We welcome those who are interested in joining our farm as volunteer! Farm job is hard but great experience! we provide you daily farmer-meals or foodstuff, a comfortable bed or Futon of your private room and especially a great experience of real Japanese farmer's life during your stay.

### Live-in Farm Volunteer Recruitment Guidelines

- Those who are interested in agriculture and rural life in Japan, who are physically and mentally healthy, and who are confident in their physical strength.
- People who can help with daily life such as housework as well as farm work.
- People who are comfortable living together and interacting with various people.
- Those who can live with a dog and cats. (We have an Labrador and two cats indoor.)

About 80 people, mainly university students, stay here every year and live and work together.

(Full-scale farm work. For those who are not confident in their physical strength, those who want to enjoy farm work as leisure, those who want to relax in their old age, we recommend that you stay at [the farm house](#) and have a short "agricultural experience". )
